(Modified report provided to Recording Secretary after the meeting)
As of 7/31/12 our club balances are:

General Fund: $18,082.28
Rescue Fund: $22,650.73
Grocery Certs: $4,100.00
Total: $44,833.01

Year to Date profit from certificates: $1,820.

Highlights include:

- Club insurance policy has renewed - $600
- AKC Canine Legislation Fund payment made - $250 total*
- Specialty 2012 Equipment Rental payment made - $250

*Note. Originally club members voted to donate $150 to the AKC Canine Legislation Support Fund and $100 to AKC Political Action Committee (PAC).We learned later that the Federal law requires that PAC donations must include individual names and address information of those that contributed, versus as a general club donation as we had voted. The Board and the members present at the July membership meeting were contacted by the Treasurer to determine how they wanted to handle this invalid donation. The decision by all was to have the PAC donation check returned and reissue the check in the same amount ($100) to the AKC Canine Legislation Support Fund, that does allow general club level donations. The Treasurer handled this on 7/31/12.

Other:
Requests for Certificates of Liability Insurance have been sent to the club's insurance company, Equisure, Inc., for the 2012 Local Specialty and the 2013 Agility trial, now that we have renewed our insurance policy for Sept 2012 – Sept 2013 period.

Specialty Match –Rachel Paulson
Not present. No report. Discussion was had if we want to have this event or not. It is not needed to fulfill the club's yearly obligations.

-**Unfinished Business**:

1) 1) Sue brought up for discussion a 2013 supported entry with Plum Creek. The club could do 2 days of Supported Entry or a Sweeps but we would need to find Sweeps judges. Michelle has volunteered to chair this. Michelle said she could find 2 judges, Barbara White and Richard Smide, or we could use provisional judges from Peak to Peak. Thalia discussed that we should at least do a Supported Entry to make sure we keep our spot inside the building for future shows. We do not need to do Sweeps or trophies if we don't want to. Thalia **motioned** that the club do 2 days of Supported Entry with Puppy Sweepstakes using the 2 judges Michelle found, Barbara White and Richard Smide and that we get more information from Michelle as to what trophies would cost through Plum Creek. Lori seconded the motion. **Motion passed** unanimously. Lori mentioned to be sure to write on entry forms that we want to be on the blue carpet and near the ring to keep us inside on the concrete.

2) Sue brought up for discussion the memo from the June meeting for Peak to Peak requesting $145 for trophies for the 2012. Thalia motioned that we pay for trophies for Peak to Peak 2013. Lori seconded the motion. Motion passed unanimously.

3) Sue brought up for discussion how the club feels about moving the south meeting location to the Governor's Ranch school. The cost would be $13/hour which is less than the church. We would need to fill out paperwork to let them know the dates and times we want to use the room. We can use the teacher's lounge or the library. Sue discussed she preferred the church. The entrance may be hard to find at the school. Others discussed that the church is closer and easier to get to for those coming from the north. The club will stick with the church for now and this can be addressed again later if needed.

4) Additional nominations for judges for the 2013 Local Specialty were taken:

-New Business:
1) Sue has a letter from AKC the Club President's Challenge. The AKC Political Action Committee (PAC) and Canine Legislation Support Fund are requesting donations to protect the rights of dog owners. The Challenge recommends a $100 donation from each members and $150 from the club by July 31st. Do we as a club want to donate? Discussion was held around how this fits with the mission of the Colorado Federation of Dog Clubs.

Lori **motioned** that the club donate $100 to the AKC PAC and $150 to the AKC Canine Legislation Support Fund for a combined total of $250. Mary seconded. Motion Passed. For more information you can visit the AKC website at: www.akc.org/canine_legislation*
*Per the Treasurer's note above the $100 donation to the PAC was returned and re-submitted to the Canine Legislation Support Fund as the PAC cannot receive donations from a club, only from individuals.

2) Lori brought up that our current Puppy Sweeps age break downs do not match up with SCA's Puppy Sweeps break down. She is suggesting that we align with SCA to allow more of our members to show. Thalia noted that there is nothing on the SCA form that asks for age breakdowns so this can be approved by the club to take affect this year. Lori motioned that we allow for the following Puppy Sweeps age break downs to align with SCA starting with 2012 Specialty and forward:
   Dogs/Bitches
   6-9 months
   9-12 months
   12-15 months
   15 months and up

Jan seconded the motion. The **motion passed** unanimously.

3) Lori brought up that some clubs offer $50-$100 to their Puppy Sweeps judges and she has also received a couple thoughtful gifts for her Puppy Sweeps judging and she is suggesting that we discuss providing some sort of payment or gift to our Puppy Sweeps judges as well. Discussion was that some sort of compensation would definitely be nice whether it's payment or some other gift, etc. Lori **motioned** that DSA compensate $100 to our Sweepstakes judges for our Specialty Match effective immediately. Jan seconded the motion. The **motion** passed unanimously.

-**Barks and Growls:**
Lori - Kaelin won her Grand Championship.

Jan's puppy "Jodi" went to the Billings shows and she was Best Puppy, Working Puppy and Winners Bitch for her first 2 points on the first day. She was also Winners Bitch on the 3rd day.

Terri - Maddie Cloud Nine Jumper won 90 points on Sunday and qualified in standard.

AKC Canine Good Citizen Test Skills

The American Kennel Club is dedicated to upholding the integrity of its Registry, promoting the sport of purebred dogs and breeding for type and function. Founded in 1884, the AKC and its affiliated organizations advocate for the purebred dog as a family companion, advance canine health and well-being, work to protect the rights of all dog owners and promote responsible dog ownership.

The CGC TEST consists of 10 skills needed by all well-mannered dogs. All of the exercises are done on a leash.

Test 1: Accepting a friendly stranger
The dog will allow a friendly stranger to approach it and speak to the handler in a natural, everyday situation.

Test 2: Sitting politely for petting
The dog will allow a friendly stranger to pet it while it is out with its handler.

Test 3: Appearance and grooming
The dog will welcome being groomed and examined and will permit someone, such as a veterinarian, groomer or friend of the owner, to do so.

Test 4: Out for a walk (walking on a loose lead)
The handler/dog team will take a short "walk" to show that the dog is in control while walking on a leash.

Test 5: Walking through a crowd
The dog and handler walk around and pass close to several people (at least three) to demonstrate that the dog can move about politely in pedestrian traffic and is under control in public places.

Test 6: Sit and down on command and Staying in place
The dog will respond to the handler's commands to 1) sit, 2) down and will 3) remain in the place commanded by the handler (sit or down position, whichever the handler prefers).

Test 7: Coming when called
The dog will come when called by the handler. The handler will walk 10 feet from the dog, turn to face the dog, and call the dog.

Test 8: Reaction to another dog
To demonstrate that the dog can behave politely around other dogs, two handlers and their dogs approach each other from a distance of about 20 feet, stop, shake hands and exchange pleasantries, and continue on for about 10 feet.

Test 9: Reaction to distraction
To demonstrate the dog is confident when faced with common distracting situations, the evaluator will select and present two distractions. Examples of distractions include dropping a chair, rolling a crate dolly past the dog, having a jogger run in front of the dog, or dropping a crutch or cane.

Test 10: Supervised separation
This test demonstrates that a dog can be left with a trusted person, if necessary, and will maintain training and good manners. Evaluators are encouraged to say something like, "Would you like me to watch your dog?" and then take hold of the dog's leash. The owner will go out of sight for three minutes.

Equipment
You'll need to bring your dog's brush or comb to the CGC test. In the CGC test, dogs must wear a buckle collar or slip collar.

DSA Supports our Members' Dog Owner Rights

As published in the July 16, 2012 Meeting Minutes, the DSA membership present at the meeting, motioned and voted to donate $150 to the AKC Canine Legislation Support Fund (CLSF) and $100 to the AKC Political Action Committee (PAC). We learned after the meeting that the PAC donation must have individual names and address associated with the donation. In response to that information, the Board changed the $100 PAC donation to an additional donation to CLSF.

The Denver Samoyed Association is helping protect our members' dog ownership and breeder rights by supporting these organizations:

1. AKC Canine Legislation Support Fund (CLSF)— via donation to this National level effort. Read below for further explanation of this fund.

2. Colorado Dog Federation of Dog Clubs (CDFC)- DSA is a member of this club that is a watchdog for state level animal rights issues. Read more about the CDFC on page 9.

AKC Canine Legislation Support Fund
Support Responsible Dog Owners, Breeders and Fanciers Rights

The difference between Canine Legislation Support Fund and Political Action Committee:
The Canine Legislative Support Fund is used to educate and lobby elected officials on your behalf at the federal, state, and local levels and to ensure your rights as a responsible dog owner are protected. These funds may not be used to contribute to political campaigns. AKC Political Action Committee (PAC) funds are used to contribute to campaigns to help elect dog-friendly leadership in congress and state houses across the nation. PAC funds may not be used to lobby officials once they are in office or to influence legislation. They may only be used in campaigns.

Each year, the AKC Government Relations team expends significant resources fighting legislation that would institute breed bans, breeding restrictions, mandatory spay/neuter laws, crop and dock laws, excessive licensing fees and other threats to your rights to own and breed dogs. Still, each year, the threats seem to grow.

Combating negative canine legislation is a costly endeavor, which is why the AKC has established the Canine Legislation Support Fund. Every dollar contributed to this fund goes directly to helping AKC fight legislation that infringes on your rights as a responsible dog owner, and to support legislation that protects your right to own and enjoy dogs.
Who can contribute to the Canine Legislation Support Fund?

Anyone concerned about protecting the rights of responsible dog owners may contribute to this fund. Contributions may be made by dog clubs, by individuals or any other group. These contributions are not tax deductible.
How are these funds used?

Protecting the rights of dog owners is a multi-faceted effort. One-hundred percent of your donations go to supporting legislation, securing formal representation of our interests in congress and statehouses, and educating legislators about responsible and fair policy for dog breeding and ownership.

Any assistance you or your club chooses to provide will greatly enhance our efforts to defeat the onslaught of repressive legislative initiatives and to ensure your rights, not only today, but for generations to come.

WHAT WE DO: The CFDC is organized to encourage and promote the welfare of dogs, and to protect the interests, rights and well being of responsible dog owners & breeders in Colorado.

WE PROVIDE: The CFDC provides education and resources to dog breeders, elected officials and the general public, which support and encourage responsible dog ownership in our communities and state.

WE ARE KEY: The CFDC is the key dog communication link between Colorado member dog clubs and the Colorado state legislature, with a lobbyist who represents us on important Colorado dog legislative activities. In our key role, we also work with local communities to facilitate better communication and cooperation on dog issues of mutual concern for dog owners.
