See 11/18/95 Board Meeting Minutes

#### -Secretary's Report, Deb Castro:

Newsletters to pass around.

#### -Treasurer's Report, Carolyn Bateman

Ending balance as of November 18th was \$1865.15. A full report was not available this month.

If you are giving Carolyn checks that concern Club business, please write on the check what it's for! Also write your name and what it's for on any receipts that you give her. We need to keep track of the expenses in each area for next year's budget.

#### -Corresponding Secretary's Report, Sue Wangerin

Notebook of information to pass around. We have received notice that there will be a Breeder's Showcase at Villa Italia Mall 01/13-14/96. Plum Creek Kennel Club has asked that we provide either an individual or Club trophy donation. This would be especially nice since they are picking up some of the cost of our local Specialty in conjunction with their weekend shows. Tom L. make a motion that that we donate trophies to Plum Creek. Motion was

seconded by Steve Baugh.

Colleen made a second motion that we donate \$40 to Plum Creek specifically for BOB, BOS, WD and WB trophies. Andi Mast seconded the motion.

A note from Molly Eldridge, one of our Rescue dog owners, was passed around. The note included a picture of Osho.

Sue wrote a letter to the Judge who will be hearing the case of the poisoned Samoyed and Bischon. If you would like to see it, please ask Sue.

The Scoop, a doggie newsletter published in Colorado Springs, has asked if we would like to exchange monthly newsletters. A copy of The Scoop was passed around for Club members to review. It was suggested that this is a good place to get our name out for Samoyed Rescue. We do pick up dogs quite often from the Springs.

#### - Committee Reports:

All Breed Match - Colleen Groseth  
01/14/95 is the only date available in January at Lakeside Mall for our All Breed Match, otherwise we will need to wait until May. Since the Breeder Showcase is currently scheduled for 01/13-14, we will consider 05/12 - the weekend before the Durango show.

Awards - Heidi Nieman

Heidi sent around a sheet for Club members to list any titles their dogs have been awarded during 1995 (January through December).

Breeder Referral - Tracy Wollenweber  
if you are expecting puppies let Tracy know. She has names of people who are interested in getting a puppy.

Breeder's Showcase/Public Education Coordinator - Nancy Golden

The next Breeder Showcase will be January 13-14 1996 Saturday 10a - 7p and Sunday 11a - 5p. There will again be a contest for the best presentation of information. Nancy's current plan is to set up similar to what we did last time. We can have no more than 2 or 3 dogs present at one time, and puppies under 6 months of age cannot attend. If you have any suggestions or can help out please let her know.

Regarding Public Education - AKC (in conjunction with Shearing-Plough) has a new brochure, "Home Again", that explains use of the new microchip implants for identifying dogs. A suggestion was made to include this information in the next publication of the Sam-O-Gram.

Cheer - Janet Cherne - No report.

DSA Liaison to SCA - Brenda Abbott  
No report.

Historian/Librarian - Tom Lisec

The library was available at this meeting. Tom mentioned that he has received no input about

purchasing new material for the library.

Several suggestions were made: Second Chance: Living with a Rescued Dog. The newest Samoyed book from Hoffman (sp?) Publishers. Also, a suggestion was made to purchase a tape from the '95 SCA Specialty. Hospitality - Colleen Groseth  
A sign-up sheet was passed around for Club members to bring dishes for next month's Christmas party. DSA will be providing a meat dish.

Membership - Sue Wangerin - No report.

Program - Tom Lisec

There will be no program at the December 18th meeting. Several possible program topics were discussed for use at later dates including CPR and bloat. Jan Cherne made a motion that we schedule a program on bloat for the February 19th meeting. Jayne Clark seconded the motion.

Local Specialty Show - '96, Tom Lisec

The date of the Specialty was incorrectly published in the Sam-O-Gram. The date should be 02/16/96.

A Specialty meeting is scheduled after the regular membership meeting, Monday 11/20/95. We will be having our final discussions and reviewing the final committee reports.

A reminder: Nancy is still collecting checks for '96 local Specialty trophies.

#### -SCA Board Member report - Jan Cherne

Brenda Abbott and Judy Mears have been elected to the '96 SCA Board. Julie Beatty will continue as Treasurer.

The Top 20 will not be available at the '96

National Specialty in Washington.

### -Unfinished Business:

DSA dues are due. Carolyn will be sending out notices. Single membership is \$10, Family membership is \$15.

Phone tree - Deb is still working on developing a phone tree. After some discussion it was decided the format of the tree would allow for each person to make 2 phone calls. The tree will be published as part of the Club roster. Concerns were expressed about the extent people are expected to go to contact their assigned Club member - we can expect nothing more than best effort.

Election of 1996 DSA Officers and Board Members -

Deb Castro made a motion that '96 Officers be elected by acclamation. The motion was seconded by Frank Miller. '96 Officers are as follows:

President - Andi Mast

Vice President - Martha Lageschulte

Recording Secretary - Deb Castro

Treasurer - Carolyn Bateman

Election of '96 Board members was held.

Results are as follows:

Regarding our problem with getting a quorum to do general membership business. There is concern about changing the wording of the Constitution due to our AKC Specialty sanction. Jan Cherne will call AKC and ask them what their preference is in this type of situation.

## A Christmas Fantasy

(A story that may have happened!)

Written by Mavis Newbury

*It was the most enchanting of Midnights... Christmas Eve... our first on the farm. The presents were arranged under the tree in preparation for the children's morning descent. We were quiet with contentment and thanks. Our last and most pleasant chore yet to be done, we donned our boots and parkas to go outside to bed the horses and kennel the dogs.*

*Inside the barn we were greeted by the sweet scent of horses and hay, the sounds of an occasional foot-fall and of thoughtful munching. I couldn't help thinking that it was no wonder Christ was born in a stable, there is no more peaceful place on earth!*

*As I reached for the light switch I stopped... hand mid-air. I was astounded by the sudden and total silence. The horses were frozen in their places, the dogs like porcelain statues, eyes fixed on the end of the stable. My hair prickled and my heart pounded with the realization of the presence in the barn. Unable to move or speak, we watched as a scene unfolded through a blue, misty light.*

*It was a nativity scene, a rough manger, a robed woman resting on the straw before it and a blanketed child within. We heard a voice speaking, with the gentleness and wisdom of the ages. "My gentle animal friends," it said. "I bring you a gift on this Christmas Eve. I will show you how the first Christmas was celebrated."*

*"The shepherds and the wise men did not reach the Child for many days after his birth," the voice continued. "The first to bring praise to Him were of the dog kingdom... the most beloved of all His creations. They came one by one and gave Him their only possessions and in thanks, they were immortalized in the heavens as stars. The Labrador gave Him faithfulness, the Siberian Husky gave Him stamina, the Welsh Corgi, intelligence, the German Shepherd, the need to protect. The Irish Wolfhound gave him strength; the Greyhound, swiftness and the Sheltie, agility. There were many more, each with a unique gift, but the last to come to the Child was the Samoyed.*

*"I give you my smile," the Samoyed said. "It is my most prized possession because it is the very essence of my being. It is my joy, my love and devotion and my gaiety."*

*"The Child was so touched," the voice continued, "that He took in His hand a thousand stars and threw them gently over the Samoyed's beautiful white coat."*
