### **Old Business**

Job Descriptions Martha Lageschulte-they have been updated, but we are waiting to finalize the treasurer info. Info on vacant positions are on website. Check if you're interested in volunteering. Next quarter the job descriptions will be available to members.

### **Emergency Contacts Linda Kitzman**

Revised version of form will be uploaded to website. Add examples of how Rescue might help. The form came about because of difficulties determining timely care of Kent Dannen's dogs when he passed suddenly.

- Form will be available on the website. Will also be sent out with dues notice. Will be available as a fillable PDF.
- Info would not be widely available. The form would avoid unnecessary delays in helping.
- Stored on Google Drive and website: just the board has access, only to be used in an emergency.
- Lori Elvera-if the emergency contacts answer no to the questions, DSA would not take action.
- DSR help examples-transport, food, bathing, fostering, veterinary care.
- DSR will not take someone's dogs away from them.
- If no information or opportunity to help, local authorities will step in and take the dogs.

This process should prompt people to prepare instructions, have discussions at home. Make sure family members know who vet is, how to contact. Let veterinarian know what you authorize.

Kris Schopfer will help Linda Kitzman. Lori Elvera has additional input.

Dues notices go out in November. Form will be ready before then.

## **Designated Specialty**

Lori Elvera has researched an affiliation with Peak to Peak. They have asked us to join their show at February or September. Concurrent specialty would be in the afternoon. Onofrio is superintendent.

September could be indoors or outdoors. We could reserve 10 grooming spots, DSA pays. Lori says the more complete information on Peak to Peak is in the April DSA minutes.

Clubs pay DSA per dog.

Linda Kitzman-Flatirons KC (chair Andrea Floyd) is inviting our participation. 10 grooming spots, if want more, they'd group together. They want suggestions for judges. We'd need to pay for our judge's fee and one night hotel. It would be a designated specialty.

Concurrent—go on to group, same day.

Rodney Martin also suggested contacting Greeley KC. Groups for specialties.

Lorrie McAllister will assemble spreadsheet so we can make decisions as a club.

Encourage newer members to consider chairing a designated specialty, which is much less work than a standalone specialty.

## **New Business**

### **Nominating Committee**

- Lori Elvera will chair, Connie Rudd and Linda Kitzman (board member) will be members.
- Tammy Barach will serve as a fourth member.
- Martha Lageschulte said three members is minimum, can have more.
- By-laws: "During the month of July, the Board shall select a Nominating Committee consisting of three (3) members and two (2) alternates, not more than one (1) of whom may be a member of the Board. The Corresponding Secretary shall immediately notify the committee persons and that person's duty to call a committee meeting, which shall be held on or before the August meeting."

### **Other Activities**

Lori Elvera suggested Bingo—2 locations. Governor's Ranch clubhouse, or a location at Wadsworth and Jewell. \$3/pack (3 games). 3<sup>rd</sup> Tuesday at Governor's Ranch. Bring your own food/drink. Tammy Linnert is interested in Bingo.

Paint and Sip night: at Governor's Ranch clubhouse. Maybe \$5? September October November are possible months. We would get dates and post it. Must RSVP.

Donna Cummings-clubs should hold bench committee hearings.
