Thank you all for your thoughts and prayers during the Bobcat and High Meadow fires. While no Sammie people lost their homes, we believe at least one musher did, and many lives were deeply impacted. Is anyone interested in sending a donation from the club to the rescue or fire effort?

As you know, Bernice Helsinki passed away last month. I would like to suggest we send a donation from DSA/DSR in her memory to with Sammy Angles or the American Humane Society. AKC book work done and will be mailed Friday included in that is release of Friday since our match is rescheduled for Thursday.

Discussion about release of Friday to CKC so that we can have our show Thursday. All of our Judges may have been picked up by CKC (J J Hamm). Suggestion that we recommend they pick up our judges and then we will release Friday. It was discussed that we need to be careful, since we do not have a contract with CKC/Plum Creek so that they could retaliate and not let us have the site at all.

Need everyone to volunteer to sign up to help.

Martha still working on trophy list for donations. A list of trophies needed for premium list.

Motion to release Friday [2/17/01] to CKC was put on hold until next meeting awaiting all Judges picked up. Carol will contact them again before next meeting.

Local Specialty 2002 No Chairperson yet still looking for volunteers.

Judges were not called prior to this meeting. Debbi Sencenbaugh **motioned** to choose Judge then alternate for 2002 local specialty then the Judges would be contacted for availability. Seconded by Bob Sencenbaugh. **Motion Passed.** Discussion as to who would call judges, no agreement was made

Longmont/Flatirons Summer or fall show? Trouble can't promise indoor site if weather bad especially if requested outdoor site.

Evergreen-? Will they have us back?

Also suggested was having specialty at alternate site during same weekend of other show to eliminate dirt. This was discussed and it was determined that it was better to have at show where a show is already being set up so that we do not have to locate and rent all the equipment. This was not recommended as there would be too much work for the club

All this discussion was tabled until July when we will vote on whether to move specialty and if so to where?

Recent Colorado Legislation

HOUSE BILL 00-1330: ENHANCEMENT OF SENTENCING FOR CERTAIN ANIMAL CRUELTY CRIMES.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. 18-9-202 (2), Colorado Revised Statutes, is amended to read:

18-9-202. Cruelty to animals - neglect of animals - offenses - repeal. (2) (a) Cruelty to animals is a class 1 misdemeanor.

(a.5) (I) (A) In addition to THE sentence imposed PURSUANT TO THIS SUBSECTION (2), any person convicted of committing cruelty to animals pursuant to subsection (1) of this section, the underlying factual basis of which has been found by the court to include the knowing or intentional torture or torment of an animal that needlessly injures, mutilates, or kills an animal shall pay a surcharge of up to four hundred dollars to the clerk of the court in the county in which the conviction occurs or in which a deferred sentence is entered. Each clerk shall transmit the moneys to the court administrator of the judicial district in which the offense occurred for credit to the fund.

(B) This subparagraph (I) is repealed, effective July 1, 2001.

(II) In addition to the sentence imposed PURSUANT TO SUBPARAGRAPH (I) OF THIS PARAGRAPH (a.5) any person convicted of committing cruelty to animals pursuant to subsection (1) of this section, the underlying factual basis of which has been found by the court to include the knowing or intentional torture or torment of an animal that needlessly injures, mutilates, or kills an animal, may be ordered to complete an anger management treatment program or any other appropriate treatment program.

(III) The court shall order an evaluation to be conducted prior to sentencing to assist the court in determining an appropriate sentence. The person ordered to undergo an evaluation shall be required to pay the cost of the evaluation, unless the person qualifies for a public defender, then the cost will be paid by the judicial district. If the evaluation results in a recommendation of treatment and if the court so finds, the person shall be ordered to complete an anger management treatment program or any other treatment program that the court may deem appropriate.

(IV) Upon successful completion of an anger management treatment program or any other treatment program deemed appropriate by the court, the court may suspend any fine imposed, except for a five hundred dollar mandatory minimum fine which shall be imposed at the time of sentencing.

(V) In addition to any other sentence imposed upon a person for a violation of any criminal law under this title, any person convicted of a second or subsequent conviction for any crime, the underlying factual basis of which has been found by the court to include an act of cruelty to animals, shall be required to pay a mandatory minimum fine of one thousand dollars and shall be required to complete an anger management treatment program or any other appropriate treatment program.

(VI) Nothing in this paragraph (a.5) shall preclude the court from ordering treatment in any appropriate case.

(VII) This paragraph (a.5) does not apply to the treatment of pack or draft animals by negligently overdriving, overloading, or overworking them, or the treatment of livestock and other animals used in the farm or ranch production of food, fiber, or other agricultural products when such treatment is in accordance with accepted agricultural animal husbandry practices, the treatment of animals involved in activities regulated pursuant to article 60 of title 12, C.R.S., the treatment of animals involved in research if such research facility is operating under rules set forth by the state or federal government, the treatment of animals involved in rodeos, the treatment of dogs used for legal hunting activities, WILDLIFE NUISANCES, or to statutes regulating activities concerning wildlife and predator control in the state, including trapping.

(b) In the case of any person incurring a second or subsequent conviction under the provisions of paragraph (a) of this subsection (2), a sentence of imprisonment within the minimum and maximum terms FOR A CLASS 1 MISDEMEANOR AS PROVIDED IN SECTION 18-1-106 shall be mandatory and shall not be subject to suspension, nor shall such person be eligible for probation or parole for any part of such period. A plea of nolo contendere accepted by the court shall be considered a conviction for the purposes of this section.

SECTION 2. Effective date. This act shall take effect September 1, 2000, unless a referendum petition is filed during the ninety-day period after final adjournment of the general assembly that is allowed for submitting a referendum petition pursuant to article V, section 1 (3) of the state constitution. If such a referendum petition is filed against this act or an item, section, or part of this act within such period, then the act, item, section, or part, if approved by the people, shall take effect on the date of the official declaration of the vote thereon by proclamation of the governor.

OTHER LEGISLATION

HOUSE BILL 00-1267, a bill reauthorizing the Pet Animal Care and Facilities Act, was signed by the governor in May. The act includes "handling" in the definition of activities that must be licensed/regulated, but thanks to an amendment that was drafted and supported by Colorado dog clubs and the Canine Legislation Department, AKC events are excluded.

In July, the Boulder City Council is expected to introduce a measure to replace all references to "animal owner" with "animal guardian" in municipal codes. The American Kennel Club strongly supports the term "owner" in reference to the keeping of dogs and considers "guardian" to be devoid of the rights and obligations that humans have as owners. While the term "owner" places responsibility on people for the care and actions of their dogs, use of the term "guardian" removes a person's legal right to protect his or her dog and does nothing to promote or require kinder treatment of animals. The Canine Legislation Department sent a letter opposing the measure to the mayor of Boulder, members of the city council, and other key officials.

DSR Success Letter

Editor's Note: The following was received from Cece Tully, Farmington, NM. Cece and her family adopted "Sam" from DSR 11/1999. Sam was surrendered by his former owner because they couldn't control him. — Deb Castro

"Sam"

Deb,
Just a note to let you know how Sam is doing. As you can see by the pictures, he is very much part of our family. Sam loves to swim, play catch, dive [see picture] for rocks, golf balls and sticks.

He is very loving and gentle with the cats and small children. He is attached to a small white teddy bear that he takes all around the yard and house.

We feel like his coming to live with us was meant to be. We do feel that at some time before he came to us he had been abused. He is not mean or aggressive to our other dog.

He gets groomed every 4 weeks and doesn't seem to mind that. He weighs 71.2#, has vitamins and rice cakes every morning. We paint his nose because it blisters from the sun, which he doesn't like.

Well, I'll send pictures later in the year and keep you posted. He truly was a gift for our family.

Sincerely,

Cece Tully

Doesn't Sam look wonderfully regal?

Heeere fishy, fishy!!

As of 06/26/00, we have the following Sammies available for adoption:

Male (Bisket)	11 yr	Indoor/Outdoor	Owner
Female (Trisket)	11 yr	Indoor/Outdoor	Owner

Comments: 70#(F), 80#(M) Leash trained; formal obedience training. Medium to low activity level. OK with older children, and other female dogs. Not sure about cats.

Why: Owner will be traveling a lot and doesn't want them kenneled all the time.

Female (Sassy)	2 yr	House/Outdoor	Foster Home
----------------	------	---------------	-------------

Comments: Small girl, very cute! Loves other dogs and good with cats. Adult-only home preferred. Sassy's socialization skills with people are limited, but continue to develop. Startles easily and doesn't like thunder or fireworks. Must have owner willing to be patient, willing to crate, work within her comfort limits, and possibly do T-Touch massage. She has come along way, but still has progress to make.

Why: Sioux Falls puppy mill.

Male (Boca)	5 yr	House/Outdoor	Owner
Female (Moo-Shu)	6 yr	House/Outdoor	Owner

Comments: 75#(M) 65#(F) Owner would like to place together. Leash trained, basic commands. OK with kids and dogs of the opposite sex..

Why: Owner doesn't have time for them.

Male (Nikko)	3 yr	?House/Outdoor?	Boarded
--------------	------	-----------------	---------

Comments: Big boy! Good with other dogs. No cats. Rides well in the car. 6' fence required.
