#### -Recording Secretary's Report, Steve Baugh:

As a result of errors reports, barks, and growls not printed and handed in, clearly legible, will NOT be included in the minutes. This is nothing new and has been requested in the past, including copies for the president and recording secretary, but not enforced. When I first started as recording secretary this was the practice. Those club members currently following this guideline do not have problems with the information recorded. We should remember that we are all volunteers, some with recreational emphasis and others with competitive, business, and political emphasis. This documentation policy prevents any misunderstanding and puts the responsibility on the person requesting their comments be heard. Please see my comment from last month's barks and growls. SB

## Westminster Invitees

**Eligible Westminster Invitees:**

**Top Five Breed Champions**

**As of 10/31/99**

Westminster Kennel Club announced a new entry process for its show being held on February 14th and 15th, 2000 at Madison Square Garden in New York City. This entry process entails sending a pre-entry invitation to the top five qualifying dogs or bitches, who are champions of record, in each breed/variety, based on the number of dogs defeated in breed competition only at American Kennel Club shows held from January 1st, 1999 - October 31st, 1999 inclusive. In the case of a tie, all qualifying dogs will receive invitations.

Included with the pre-entry invitation will be a special entry form for the eligible invitees, which must be returned to the show's superintendent by 3:00 pm ET, Wednesday, December 1st, 1999.

The total maximum number of entries at Westminster will be limited to 2500 dogs - all of whom must be champions of record. No entries, other than those qualifying for an invitation, will be accepted prior to 8:00 am ET on Friday, December 3rd, 1999. For full information on Westminster's entry process for 2000, which also covers regular entries, click here.

**Motion** - Establish an honorary, non-voting membership, for outstanding DSA participation. The board of directors shall select candidates and standard guidelines for candidates to be approved by the club membership.

All Samoyed sled dog race in Colorado!!!! March 4 and 5 of 2000!!!! Granby Track with the killer hill. The folks at the Granby Track are donating the track, snow equipment, and grooming for the event. Teams from all over the country, Washington, Maryland, etc. are committed to coming. This is an excellent opportunity. For insurance purposes it would be nice if the race were sponsored by DSA.

Bob received a letter stating that the 2001 Specialty will probably go to Thursday. Judges have already been secured for Friday, but the AKC paperwork has not been submitted yet. Plum Creek and CKC have applied for a 4-day show, but it has not been approved yet. There are many discussions and options to be considered. Tabled until January meeting.

**-New Business:**

Thalia will contact Andi Mast to see if she will put the March SCA Bulletin Ad together again, for the DSA 1999 winners.

**-Barks and Growls:** None submitted.

- Meeting adjourned at 9:00 PM.

Thalia mentioned that there were no big money makers other than the Hip, Chip and Eye Clinic this year. We are in the black, but things could change. Maybe consider conducting another clinic next year.

Fund raising needs the attention of the club, or possibly a committee, to support Ways and Means. Bring ideas, and possibly bring up every month in the general membership meeting. Mary Lloyd will investigate a garage sale, and Julie Beatty will look into an auction.

-Meeting adjourned at 9:30 PM

For a list of all the eligible Westminster pre-entry invitees by breed, dog's name and owner(s) name, see the links below. There are two ways to locate the dogs: interested viewers may look at an entire group at a time in one long, scroll down file; or may select a given breed within a group.

## As I See It

Well two years has gone by very quickly. DSA and its members have a lot to be proud of. In the last two years we have seen real growth in the number of sams and their owners participating in working events. In the conformation ring the last two National Specialty winners were both DSA members. Way to go Nancy and Linda, I can only imagine how that must feel.

Not only are we changing most of the club officers next month, we are also entering a new millennium. (I know that mathematically it doesn't change for another year), I wonder how long it will take us to get used to writing 2000 on our checks and how many of us will write 1900 by mistake. Forget the Y2K computer problems, I know I will be facing my own Y2K crisis.

DSA is now 13 years old and as a group you can all be really proud of what has been accomplished in those years. A great example is the 1991 National Specialty, it is a National that many SCA members still talk about, and compare to other Nationals. Members who were just getting started when the club was formed are now involved nationally with SCA, or have received their judging credentials, or are recognized nationally for their breeding program. Many of these people were and are the backbone of the club.

As I see it with all the new things happening, it is also a time for us to seek new members. Tell your puppy people about DSA, invite them to a meeting and let them make their own choices. If you are a new member, consider getting involved on one or more committees. Remember, we are drawn together by our love of those white fur faces. Don't let politics get in the way.

Finally (and I know many of you thought it would never come) I want to thank all of you for helping out over the last two years. Without the membership working hard we would not have a club. A special thank you goes out to Debby for putting up with me and reminding me of the many deadlines and details. And thank you to Thalia for seeing to it that even when I missed those deadlines this column somehow ended up in the Sam-O-gram anyway.

Happy Holidays to all of you, see you at the December Holiday potluck.

Bob Sencenbaugh  
President Denver Samoyed Assn

## Sam-O-Gram Committee Recognition

First, I would like to thank Jane Reller and Andi Mast for all their help with the Sam-O-Gram publication. Andi has provided courier service multiple times, by picking up the original laser printed issue at MY workplace, in order to hand deliver it (via Martha) to Jane, thus saving club funds for mailing fees. Also, if it wasn't for Jane, the Sam-O-Gram would cost the club a small fortune (over \$300/yr in reproduction costs). Every month, Jane copies, staples and stamps over 50 issues every month!

Second, I would like to thank all the folks that have made my job easier, by continually contributing articles

or club flyers or simply providing information I've requested for the newsletter! (I apologize to anyone I may have missed): Jane Reller, Bob and Debby Sencenbaugh, Denise and Steve Baugh, Kathi Metter, Doris McLaughlin, Tom Lisec, Lori McAllister, Heidi Nieman, Nancy Golden, Deb Castro, Andi Mast, Carol and Julie Beatty.

Your contributions have helped make the Sam-O-Gram a one stop source for all club communications, important breed information and of course light-hearted jokes!

- Thalia

## DSR Committee Recognition

***Denver Samoyed Rescue wishes to give special thanks to Andi Mast, Sue Wangerin, Jane Reller, Debby Sencenbaugh, and Carolyn Bateman – for a job well done! DSR couldn't accomplish nearly what they do without folks like these whose care and efforts match the love and trust our smiley face friends put in us.***

### **NOT AN ANGEL**

*The young pup and the older dog lay on shaded sweet grass watching the reunions. Sometimes a man, sometimes a woman, sometimes a whole family would approach the Rainbow Bridge, be greeted by their loving pets and cross the bridge together.*

*The young pup playfully nipped at the older one. "Look! Something wonderful is happening!" The older dog stood up and barked, "Quickly. Get over to the path."*

*"But that's not my owner," whined the pup, but he did as he was told. Thousands of pets surged forward as a figure in white walked on the path toward the bridge. After the glowing figure passed each animal, that animal bowed it's head in love and respect. The figure finally approached the bridge, and was met by a menagerie of joyous animals. Together, they all walked over the bridge and disappeared.*

*The young pup was still in awe. "Was that an angel?" he whispered.*

*"No, son." the older dog replied. "That was more than an Angel. That was a person who worked rescue."*

## DSR Thank You to Skinner's B-G Kennels

"Skinner's B-G Kennels" has contributed significantly to the efforts of Denver Samoyed Rescue. They have gone out of their way to work with us - giving DSR a reduced boarding rate (and keeping it reduced!).

They've allowed us to continue boarding rescue dogs at that lesser rate when they could easily fill our spots with full paying clients during their busy times. They've opened up late and/or stayed open late time after time to accommodate our need to bring in a dog off-hours. They administer medication without additional charge and let us know immediately when there is a problem with one of the dogs. Another very helpful service, is our DSR id tags have B-G Kennels as a reach number for anyone picking up a lost rescue Sam.

They've shown dogs to potential adopters when someone from DSR couldn't be present during a visit. They've worked with people we've referred to them for "doggie day care" situations or long term boarding.

They always return calls promptly. They ask about situations they're not sure of. They're pleasant, they do their best to be accommodating, and they are ALWAYS PROFESSIONAL!!

Any opportunity the members of Denver Samoyed Association can find to support Scott and Sandy Skinner would be appreciated. They are TERRIFIC and DSR is thankful for their support!!

## You Know You're a Dog Person When...

You have a kiddie wading pool in the yard and no small children.

You can't see out the passenger side of the windshield because of the nose prints all over the inside.

You have 32 names for your dog. Most make no sense, but she understands.

You like people who like your dog. You despise people who don't.

You go to the pet supply store every Saturday because it's one of the few places that let you bring your dog inside, and your dog loves to go.

You and your dog come down with something like flu on the

same day. Your dog sees the vet while you settle for an over-the-counter drugstore remedy.

Your dog is arthritic, so you build him a small staircase so he can climb into the bed by himself.

Your parents refer to your pet as their grand dog.

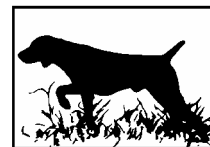

You never completely finish a piece of steak or chicken so that your dog gets a taste, too.

You avoid vacuuming for as long as possible because your dog is afraid of the vacuum cleaner.

You make popcorn just to play catch with your dog.

## DSR - Barnes & Noble Fundraiser

During the holiday season, Barnes & Noble book stores offer non-profit, community-based organizations an opportunity to raise money for their group. The stores provide free gift wrap to their customers and ask for volunteers to staff the table to wrap gifts (mostly books). Barnes & Noble furnishes the wrapping paper, tape, and scissors. Organizations that participate may accept donations for wrapping. The dates available begin with the day after Thanksgiving and continue through Christmas Eve.

Last year volunteers worked six stores in the Denver area and earned over **\$400** for DSR. It's a great opportunity to create community awareness and earn money. If you are interested in participating in this year's gift wrapping fund raiser, please contact  
Sue Wangerin,  
303-467-9829
