## Come and Join the Discussion at the October 17 Meeting! Topic: Future DSA Local Specialty Shows

Several members who have participated in the past several DSA Local Specialty Shows, and equally important, members who have volunteered on the Local Specialty Committee, have expressed a change is needed for future Specialties. Multiple reasons were cited by these members which will be discussed under New Business at the October 17th membership meeting. However, one fact stands out - the declining number of entries we have seen over the past few years, culminating with the 2011 Last Specialty having the least amount of entries to date. In addition, the general financial rule of thumb for a Specialty, is that it should attempt to break even. With fewer entries, it makes it very difficult to attain that goal. Based on the member's feedback, some preliminary research was performed, in terms of date and venue options for future DSA specialties, to determine if such a change was even viable.

At our October meeting, this feedback and research will be presented, and a discussion held on the general concept of moving the local specialty date, moving the venue and/or considering holding back-to-back Specialties versus clustering our Specialty with an All-Breed Show. If there is enough interest expressed by the members present at this meeting to modify the logistics of our Local Specialty, a motion will be presented to proceed with these modifications, and task the Local Specialty Committee to work out the arrangements. Members interested in helping with the planning details will be encouraged to volunteer for this committee.

**If future DSA Specialty Shows and Obedience/Rally Trials are important to you then please attend the October 17th, 2011 at 7:15 PM meeting at:**

Gander Mountain • 9923 Grant St • Thornton, CO 80229

**We understand that the membership meeting is the Monday after the National Specialty. However, if the membership wants to move forward with such a change, time is not on our side.** Judge's contracts in particular, are ideally secured two years in advance. Also, venues need to be reserved a minimum of one year in advance if we wish to have any option on a new date. We now have one year or less depending on the date.

**Please Note! 2012 will be DSA' 20th Local Specialty! Let's make it a Special One!**

# Meeting Minutes

## 08/15/11 - Membership Meeting

### Present:

Julie Morris, Jan Cherne, Tom Lisec, Michael Prewitt, Thalia Peletis, Sue Wangerin, Jamie Powell, Maryjean Zacha, Alex Hoover, Margaret Hoover, Rachel Paulson, Chris Stewart, Mary Lloyd, Lana McClellan

Guest: McKenna Hoover

-Meeting was called to order at 07:15 PM by Julie Morris.  
-Review of the 07/18/11 membership meeting minutes for corrections:

Tom Lisec noted that on the treasurer's reports for King Soopers cards it was reported that "there are some City Market locations north of Denver that do not accept [gift] cards. Please ask your Kroger store if they are not named King Soopers to find out if they will accept our King Soopers grocery cards." This is incorrect. The customer saver cards are not good at all locations around here. But the gift cards are good everywhere here.

The rest of the minutes were approved as written.

-President's Report, Julie Morris:  
Reminder that there is no meeting next month, September, next meeting will be October 17th at Gander Mountain.

Designated Specialty —Martha Lageschulte  
Event completed. No report.

Historian/Librarian — Tom Lisec  
Tom had several selections available from the library tonight to check out.

Hospitality—Lori Elvera  
Julie Morris reported for Lori.  
Do we want to have the December membership meeting at the Holiday Party? Michael motioned to have the meeting at holiday party, Jan seconded, unanimously approved.

Local Specialty(2011)— Jamie Powell  
Jamie may not be able to be present the day of the show. Jamie will coordinate with Michael for any necessary arrangements. Rally and Obedience will start in the morning at approximately 10am with Conformation in the afternoon at approximately 2:30pm. Conformation should be done no later than 6pm including photographs.

The conformation judge is judging another breed but the DSA club had not been made aware of this. Decisions were made by Evergreen who had not kept DSA and Jamie in the loop. DSA will be in a different ring this year from previous years. Show up as early as possible to get your grooming space. There is no reserved area for DSA only. Randy Roberts is the photographer this year.

Back to discussion about doing a possible standalone specialty and have more freedom and control to make our own decisions.

Jamie will send out email about volunteers for Rally and Obedience.

Jamie will pass on any information or lessons learned from this years Specialty to Nancy Golden who will chair next years Specialty.

Julie reported for Lori Elvera that Lori is willing to pick up the working sweepstakes documents verification for Jamie.

Hospitality for the Specialty - Sterling Clark has volunteered to cover the cost of hospitality for the Specialty. He will also provide pictures to display. We will need at least 3 tables for hospitality. The show will be dedicated to Jane Clark.

Local Specialty(2012)— Nancy Golden  
Not present. No report.

Membership — Rachel Paulson (part of VP duties):  
No Report.

Program — Mary Lloyd  
For the October member meeting at Gander Mountain, Mary has someone who will come and discuss drafting rolls and equipment. Mary will email information to the club about the details.

Public Education — Rachel Paulson  
Bark in the Park, a Meet the Breeds Event, will be held in Aurora, CO, on Sunday September 18<sup>th</sup>. Michael Prewitt volunteered to help. The event starts at 10am. There is a match that day as well at the event. Michael will bring a portable stereo system to the event as well.

Sam-O-Gram/Web Site — Thalia Peletis  
Articles are due at the 1<sup>st</sup> of each month. The website cost has gone from \$9.99/month to \$19.99/month (web.com). Thalia will look into possible other hosting sites but we do not want to use a free site because there would be pop-up ads associated with it. Jan suggested 1and1.com as a possible hosting site.

Sammy Rescue —Andi Mast  
Sue and Thalia reported. The pair of samoyeds reported from last month have been adopted together here in Fruita, CO. Two more dogs have come in from a Missouri puppy mill, a 1 year old and 2 year old. A 5 year old from the same puppy mill will go to a St. Louis rescue, she will need work on socialization. The 1 year old should be any easy placement and the 2 year old needs a little work and will be going to Kansas.

Thalia reported the next White Pine order for the National will be going out soon. Vendor booths will all be outside again for this years National. Thalia reported that she has purchased another canopy to protect the booth during sales and overnight as there is no real security at the event to protect against theft, etc. The club's insurance policy could potentially cover the merchandise with a rider policy. Since we are not 501c3 non-profit, supporters can not write-off donations from their taxes, so we rely more heavily on these sales to earn money for rescue and need to protect the investment in merchandise.

If there is anything else from White Pine that you may want please let Thalia know by Sept 1st so that you can save on shipping, etc for those products. DSA Rescue may be the only outfitter at the National this year and may sell additional items such as show leads, etc, as well.

Specialty Match —Rachel Paulson  
Rachel needs to get the ring set-up equipment from Andi and Bob Mast. Just conformation, no obedience this year.

-Unfinished Business:  
The following motion was tabled at the July meeting:

(Continued on page 3)

# Meeting Minutes

(Continued from page 2)

Motion from July Meeting:

**The club changes their voting method from the current method to one of popular majority.** [Example, when voting on Specialty Judges]. Discussion: Use the same process but the order will be chosen by popular vote.

Discussion. Need to have a better defined procedure for this new voting method and compare it to the Robert's Rules of Order procedure that is used now. Lana volunteered to put together this comparison, with examples, and provide to Thalia to include in the next Sam-O-Gram.

Discussion at August Meeting:  
Recapped the suggested voting format which was printed in the Sam-o-Gram Newsletter. Discussion: Thalia mentioned that it needs to be made clear that any change to the voting applies ONLY to voting on judges and does not apply to general yay / nay club voting. Sue asked for clarification on whether or not ballots would be used or raised hands (as it is today). Lana clarified that either can work on the new proposed voting system. The club would need to decide if ballots or raised hands would be used.

The two systems are:  
1 Repeat Balloting  
First Past the Post (current process)

Thalia motioned that the club follow the Repeat Balloting procedure for the voting on judges only. Jan seconded this motion. The motion was passed unanimously.

Jan motioned that voting for judges be a ballot and NOT hand raising. Chris seconded the motion. Discussion followed as to why hand raising is not preferred and it was mentioned that there would be less influence with ballots versus hand raising. The motion passed.

Jamie motioned that the ballots should be prepared prior to voting by the President or someone the President assigns. Jan seconded. The motion passed unanimously.

The following motion was tabled at the January meeting:  
Motion from January Meeting:  
**The club donates \$750 towards trophies for 2011.**

Discussion at August Meeting:  
Mary Lloyd was concerned the donation may make it harder to get the additional donations needed to cover the remaining cost.

People could still make donations to have their

name on a particular trophy. Currently there are several trophies still needed and the \$750 would come in handy. If the money is not spent it would be returned to the club. The motion passed unanimously.

## Additional items:

**Peak to Peak is looking for \$145 donation towards the major win trophies for the February 2012 Specialty for Samoyeds.**

Mary motioned that the club donate \$145 towards the following trophies:

Best of Breed, Best of Opposite Sex, Best of Winners., Winners Dog/Bitch, Reserve Dog/Bitch, Best Bred by Exhibitor

Lana seconded, the motion passed unanimously.

Sue Wangerin has agreed to run for President, thank you Sue!

-New Business:

## Item #1

**Julie on behalf of Lori: Would there be interest in starting a Facebook Page for the DSA Club?**

Discussion:  
Michael explained how a Facebook Page would work and that it can be secure. Thalia described that other clubs use it to promote specialties or announce club events, etc. This would be an alternate means to get information about the Club.

Julie brought up the question, who would answer any questions, etc, from the Facebook page or keep things up to date, etc

Lana asked if there is a way to have a link on Facebook to the DSA website or DSA email addresses, etc? This is possible.

Michael brought up Facebook on his iPad to share with the club how another program is using Facebook.

No decisions are expected at this time. Michael has volunteered to head a committee to research this and Margaret volunteered to be on the committee. The committee will report at the October Meeting.

## Item #2

**Mary discussed that with all the dogs in Colorado we need to get together and have some majors in the area.**

There was a general consensus from the club. Thalia mentioned that the summer shows are hard in this area as well.

## Item #3

**Discussion about how the new meeting cadence and dual locations is working out.**

Michael mentioned that missing two months in a row seemed like too long but every other month was nice. The dual locations were considered beneficial to the members. Julie recapped that the cadence was based on the calendar and what months were better to miss and when we had voting, etc. As Sue takes over the meeting cadence can be revisited again. It was discussed that the January meeting after the Agility trial may not have been as productive as necessary and may need to be moved. The meeting cadence will be discussed as an agenda item at the November Membership meeting.

-Barks and Growls:

Margaret and Alex thanked the club members for the diapers and gifts for baby McKenna! Jamie Powell - CH Wolf River's Chena of Winder Run, WS earned a championship.

-Membership Meeting was adjourned at 08:30 PM.

## 08/15/11 –Board Meeting Minutes

### Present:

Julie Morris, Tom Lisec, Michael Prewitt, Lana McClellan, Mary Lloyd, Rachel Paulson, Jan Cherne, Chris Stewart and Margaret Hoover

-President's Report, Julie Morris:

Julie discussed the cadence of potential meetings to be presented to the club at the November meeting.

The board discussed the following potential meeting cadence for 2012: January, March, April, June, July, September, November and December (skip February, May, August and October)

It was suggested that the alternating meeting locations continues and the additional meeting in June would be held at Gander Mountain because it is free.

## DSA Supports the Morris Animal Foundation's K9 Cancer Campaign

For the third year in a row, DSA has participated in the Morris Animal Foundation's Annual K9 Cancer Campaign held on August 21, 2011 - Civic Park, Denver, CO

This campaign raises funds to support 10-15 years of canine research studies with the goal of finding a cure for canine cancer.

DSA pledged \$500, and combined with donations from individual supporters, the DSA team earned a total of \$1,500! The Denver Campaign raised over \$40,000! Woo Woo Woo!

The event was moved to the same weekend as the Greeley Shows, so many of our club members could not physically participate in the walk since they were at the show! However, Tom Lisec and his boy Max (see picture) and Thalia Peletis and her girls Seville and Lila attended. Also, one of our Denver Samoyed Rescue Adopters, the Crosby Family, who adopted Owen, participated too! Thank you!

August is not a good month for a benefit walk with dogs. It was very hot, despite the early start time. The organizers welcomed my input to move the event to spring. I suggested the Saturday of Mother's Day weekend. I hope they will move it so more of us can participate in person next year but we will see!

I want to thank DSA for making this significant donation for this important cause. I hope our members realize how lucky they are to be part of a club that tries to make a difference on the health of our dogs!

— Thalia Peletis, MAF Team Captain for the DSA Team!

## Bark in the Park - Public Education Event

Denver Samoyed Association took part in the Bark in the Park event, an AKC Responsible Dog Ownership Day on Sunday, September 18th, 2011 at the Expo Park in Aurora, Colorado.

Our Public Education chairperson, Rachel Paulson, helped organized DSA's participation in this important breed public education event. Michael Prewitt and Pam Buhl also volunteered their time to work the booth.

Rachel reported that they had good foot traffic especially in the afternoon. She said it was a worthwhile event to help answer questions about our breed, and allow the public to inter-

act with our wonderful breed! She also indicated there was several breeds represented.

The Bark in the Park event included an opportunity for the public to meet AKC recognized dog breeds, visit with the Aurora police K-9 unit, and ALIE Bloodhounds Police search dogs. Also, Canine Good Citizen testing was available, along with demonstrations of junior handling, obedience, rally and agility.

### 2011 Denver Samoyed Association Awards Award Entry Deadline: November 21, 2011

Dear DSA Member:

Congratulations on earning an award from the Denver Samoyed Association! DSA awards are given to recognize AKC and SCA sanctioned conformation and performance titles earned by club members' dogs. Awards are earned from January to December 31st of each year. The Awards will be a 6 x 8 walnut plaque engraved with your kennel name given only with your first award; a brass hang tag will be given to honor each dog's title. The cost is as follows: DSA and the recipient shall share equally the \$20 cost of the plaque and its engraving (50% each). The hang tag's cost and its engraving shall be paid totally by DSA. Additional hang tags may be purchased (\$3.50 each) by the owner or breeder and paid for at their expense.

You will be notified two weeks prior to the Awards Meeting in December if you owe anything towards the cost of your awards.

## Denver Samoyed Rescue Report

no **HOME**, all **ALONE** As of 10/06/11, we have the following Samoyeds available for adoption:

Female (**Josie**) 1 Yrs Boarded 38 pounds

Comments: Samoyed. Josie - is a 1 year old spayed female that came to DSR with 2 other females from a commercial breeder getting out of the business. Her coat was shaved down before she arrived but it is growing back very nicely. She is current on shots and microchipped. She is NOT housebroken, but is a quick learner and wants to please. She is learning how to walk on a leash and plays well with other dogs. She likes to give kisses and be the center of attention. We would highly recommend her new owner enroll her in an obedience class to help with the bonding process and her social skills.

Reason: Owner Surrender

Female (**Foxy**) 2 Yrs Boarded 40 pounds

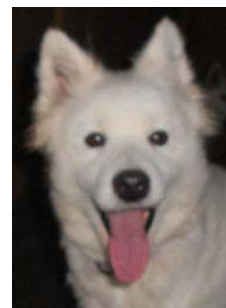

Comments: Samoyed. Foxy - is a 2 year old spayed female that came to DSR with 2 other females from a commercial breeder getting out of the business. Her coat was shaved down before she arrived but it is growing back very nicely. She is current on shots and microchipped. She is NOT housebroken and has very little social/human interaction skills. She is very, very shy. She wants to trust, but is still leery of the consequences. She is making baby steps of progress daily. She will require significant patience and consistency. She does well with other dogs and the ideal home would have a confident companion for her to learn the ropes from. She does not currently walk on a leash but that is also a work in progress. We hope you will consider this special girl for your home. She is a gentle soul.

Reason: Owner Surrender

Male (**Chip**) 1 Yrs Boarded 55 pounds

Comments: Samoyed/Siberian Husky Mix. 55 pounds. Medium Activity Level. Chip is a beautiful, and sweet boy! He has the personality, body, and coat style of Samoyed, but the eyes of a Siberian Husky. His eyes are a light grey-white color but may appear more blue than grey in photographs. Very striking! He is a super friendly, good-natured, happy boy. He is housetrained. Chip gets along with other dogs, in fact at his previous foster home, his buddy was a Pomeranian, whom he adored! We aren't sure yet about cats, but we will check that out soon!. He rides very well inside a crate in a car. He is good with kids. He was used to being groomed by his previous owner, but he needs a day at the spa to take care of some mats. He walks comfortably on a leash. He can jump a 4 foot fence and dig under if left unsupervised, so a secure, 6-foot fence would work best for this energetic young boy!

Reason: Owner Surrender
