help and room for additional information- dog food brand, portions, vet contact and medical needs.

### **Nominating Committee-Lori Elvera**

Nominating Committee chair Lori Elvera reported that the committee met last night. Emails and postings went out recruiting interest. The committee will make phone calls Thursday or Friday. DSA has 103 members, 50 voting members who are eligible to serve on the board, but some voting members live out of state. Board meets 6 times per year, 5 times via Zoom and once in person in January.

## **NEW BUSINESS**

### **Microchipping**

Lorrie McAllister is stepping back as a microchip volunteer. Linda Kitzman talked to Pam Buhl and Pam Arnold. Pam B. and Linda K. will serve as the northern team. Lorrie McAllister delivered all materials to Pam Arnold last Saturday.

Pam Arnold reported that there are multiple scanners. One could be donated to a rescue. Pam B. and Linda K. will each have a scanner. Pam Arnold will do training.

### **Specialty Judge**

Christie Martinez is judging in November, and is having her knee replaced in early November. She anticipates being able to judge, but wants us to have a backup. Martha Lageschulte recommended we consider a local possibility.

We took nominations tonight, with voting in September.

- Ron Horn
- Jean Pero
- Robin Hug
- Shanan Streweler
- Pat Healy
- Greg Szynskie

We will notify members that a special vote is coming up.

Pam Arnold: what's the process? Vote in September, then do a letter explaining circumstances, and that a replacement judge is only a possibility. Pam A. will reach out to top three or four candidates.

### **Club Activities**

Lorrie McAllister brought up a possible club activity with Colorado Railbike Adventures in Erie. The railbike is a 4-wheeled, pedal-powered cart that glides along the railroad tracks. You pedal to set it in motion, and when you're ready to pause the adventure, just pull the brake lever. Each cart sits four people.
