Legislation to Strengthen Animal Welfare Act

[May 27, 2005]

Senator Rick Santorum (R-PA) today introduced legislation which will bring under federal regulation persons who import large numbers of dogs for resale, individuals who sell dogs at retail through the internet or the mass media, and high volume breeders who sell dogs at retail. The legislation also strengthens the U.S. Department of Agriculture's ability to enforce compliance with the Animal Welfare Act and to identify persons who are evading the Act. The legislation is co-sponsored by Senator Richard Durbin (D-IL).

The bill, called the 'Pet Animal Welfare Statute' of 2005, or 'PAWS', includes provisions advocated by the AKC as an alternative to the 'Puppy Protection Act' introduced by Senators Santorum and Durbin in the 107th Congress, which the AKC opposed. The new legislation continues the current regulation of breeders who sell puppies at wholesale. However, it extends regulation to breeders who sell at retail and whelp 7 or more litters a year and persons who acquire and resell at retail more than 25 dogs a year which they did not breed. The legislation continues the current exemption for retail pet stores, but defines 'retail pet store' more narrowly than present regulations. The legislation exempts breeders who whelp fewer than 7 litters a year and raise the puppies on their own premises unless they sell puppies for resale.

While the AKC has traditionally opposed federal regulation of persons who sell dogs only at retail to protect hobby and show breeders who breed and raise puppies in a residential environment, the rapid rise in imports of puppies for retail resale, and the use of the internet and mass media channels to sell large num-

bers of puppies at retail have made wholesale versus retail sellers increasingly less synonymous with commercial dealers versus amateur fanciers. PAWS makes a reasonable distinction between commercial breeders and amateur fanciers and makes other significant improvements in enforcement that make the legislation worthy of AKC and fancier support. It does not attempt to regulate breeding and socialization practices, as the previous legislation did.

In addition to bringing high-volume breeders under regulation, PAWS will significantly strengthen the USDA's ability to identify breeders who sell puppies for resale but who evade licensing and regulation by requiring retail pet stores and others who acquire dogs for resale to maintain, and provide to the USDA on request, source records for the dogs they acquire. It also extends the period of time that the USDA can suspend the license of a dealer when the health of animals is in imminent danger from the current 21 days to 60 days. Finally, the bill authorizes the USDA's lawyers to go to court directly to obtain injunctions against persons operating without a license or with a suspended or revoked license, rather than having to convince busy U.S. attorneys to take up such cases.

Sen. Santorum is a member of the Senate Committee on Agriculture, Nutrition and Forestry and Chair of its subcommittee on Research, Nutrition and General Legislation, which has jurisdiction over this legislation. Companion legislation is expected to be introduced in the House of Representatives shortly. Bill numbers and more detailed information about the legislation will be provided as it becomes available.

Membership Meeting Minutes

05/16/2005 - Membership Meeting

Present: Lori Elvera, Linda Kitzman, Martha Lageschulte, Tom Lisec, Andi Mast, Julie Morris, Thalia Peletis, Jamie Powell, Jane Reller, Terry Walb, Sue Wangerin, Sally Wheeler

Guests: Doug Ewald; Steve Wheeler

Meeting was called to order at 7:15 PM by Julie Morris.

President's Report: Julie Morris:

Tonight will be a voting meeting. We will be voting on the judges for the 2006 Local Specialty as well as the 2006 Designated Specialty. We will also be establishing the club goal for the year.

Just a reminder that some of the members have shown concern regarding the length of the meetings so it would be appreciated if we can stay on track.

Secretary's Report Terry Walb: No Report.

Corresponding Secretary's Report Jane Reller:

It has been a quiet month. There were a few items received via email regarding items being sold. These were passed around.

Treasurer's Report Thalia Peletis:

As of 5/16/05 our General Fund has \$4,093.78, and our Rescue Fund has \$12,555.83. We have \$4,500.00 in grocery certificates on hand and our 2005 profit so far on grocery certificate sales is: \$995.50.

Committee Reports- Agility – Jane Reller

- AKC has just developed two template premium lists for random draw trials. We will be the first club to use this template. Jane and Helen will be working out the required dates for the template.
- Sue Wangerin volunteered to be the emergency contact for the application.
- We need to state the address of the place for the random draw. Helen Hittesdorf suggested Helen Phillips' place because it is easy to get to and a lot of people know how to get there. Technically the trial secretary is the only person who is required to be there, but it is open to anyone who wishes to be there. Helen Hittesdorf will check with Helen Phillips to see if she is OK with this.
- We do have a signed contract with the judge.
- We have heard back from FRAT they will rent us their equipment for \$200.00 per ring per day plus \$100.00 transportation fee. This includes an electronic timer. It will include all of the equipment for standard and jumpers rings. The contract basically says if we break it we buy it. They do have a requirement that one of

their members must be present at the trial, i.e., entered. This is not a problem since we will be able to guarantee a spot using random draw. They were one member short of a formal vote but he did not feel that this would be a problem. We also received information from Brant Rosten. The cost would be the rental on a trailer; however, he does not have electronic timers.

Awards – Mary Lloyd: Continue to let Mary know about awards.

Breeder Referral – Martha Lageschulte: Continue to let Martha know about puppies.

Cheer - Terry Walb: The following conformation cards were sent:

- Kris Schopfer for CH Silverplume's Got'a Have Faith 'Faith'
- Lana McClellan for CH Spirit Lake's Silver Hawk 'Spirit'

Please let Terry know if anyone should be sent a card.

DSA Liaison to SCA- Andi Mast: We were given two days to do our report so I reported on the wonderful time that everyone had at the sledding instinct clinic. We are now back on schedule for future editions.

Designated Specialty 2005 – Thalia Peletis: We received our check for our entry share, which closes out the show.

Historian/Librarian – Tom Lisec: Please contact Tom if anyone would like to borrow something from the library.

Hospitality – Lori Elvera: Lori will be getting with Kathy to see what people would like at the Specialty Match.

Membership - Martha Lageschulte: Martha will be sending an application to Doug Ewald.

Programs – Mary Lloyd/Tom Lisec: No Report

Public Education – Jane Reller: Jane will be contacting Liz Johnson regarding information on Flatirons KC canine fair to be held in the Fall, and will be reporting back to us.

Sam-O-Gram/Web Site – Thalia Peletis:

- Articles that you want to include in the Sam-O-Gram need to be submitted by the first of the month. Anyone having any articles that they would like to include please contact Thalia
- A question was asked if there is an index to the articles that have appeared in the Sam-O-Gram. Thalia said there was not but that it was a wonderful idea and she will work on it.

Sammy Rescue – Andi Mast We had one little girl, 'Mousie' who had been surrendered by an elderly person who could not take care of her anymore. She went out on a trial visit this weekend and has been adopted. She is approximately 5. A lot of thanks need to go to Trishia Good. The dog was surrendered to the clinic where she works and a lot of the care was donated, including surgery to remove a mass. DSR has been very lucky that we have not been inundated with dogs especially since we have not had to a lot of calls for dogs either.

Specialty Match 2005– Kathi Metter: The match will be held on June 25th at Sterne Park.

Ways & Means – Lori Elvera: No Report

Working Dog – Mary Lloyd. No Report

'05 Local Specialty – Terry Walb.

- A discussion was held regarding moving the specialty inside. The pros and cons were presented. A **motion** was made and seconded and carried to move the show inside. We will request that the pictures be taken outside on a raised platform.
- Last month we decided because of concerns regarding the ad in the bulletin to look at other advertising options. I have put a full-page ad in the Samoyed Quarterly. The cost was \$20.00.
- Jan still needs about \$300-\$400.00 in pledges for the trophies so anyone wishing to donate please contact her.

Unfinished Business:

- We are still looking for a volunteer for the 2006 Local Specialty Chairman. Anyone interested please contact Julie. If we do not have a volunteer soon we will need to look at alternatives for finding a Chairperson.
- CKC has asked us to staff their agility trial on August 5th and 7th at the National Western Complex. There are no local shows that weekend. They are willing to pay us \$500.00 per day plus \$250.00 if we help with setup on Friday. They will need 15-20 people. We should be able to make enough money to offset the expenses for our trial. A count was taken of those present who would be willing to help. The count indicated that we have enough volunteers to accept their offer. Jane has also talked to them regarding free parking.
- We would like to extend a special thanks to Lori and everyone who provided equipment and expertise to put on the Sledding Instinct Clinic. It was a lot of fun and the dogs loved it.

New Business:

- Meeting times – Several years ago some of the members, who are no longer active,

(Continued on page 3)

Membership Meeting Minutes

(Continued from page 2)

could not make the meeting at 7 PM and 7:30 PM seemed too late so the meetings were starting at 7:15. We could again start the meetings at 7 PM if the current membership wishes to do that. Grocery Certificate Fundraiser How Does it Work?

DSA purchases grocery certificates in bulk from King Soopers and Safeway at a discounted price. The amount of the discount is dependent on the amount of certificates purchased at once.

\$ Amount	Discount
<\$2,500	3%
\$2,500 <\$5,000	4%
\$5,000 & over	5%

DSA sells the certificates at their face value. A \$25 certificate is sold for \$25, and the purchaser can use it to buy \$25 worth of groceries. So, basically it's just like cash for the buyer, but DSA benefits from it!

For King Soopers, the certificates come in \$25 amounts, and you will receive cash back if the purchase amount is less than the certificate amount. King Soopers certificates are also accepted at Albertsons grocers.

For Safeway, the certificates are gift cards, and come in \$50 and \$100 amounts. If your bill is less than the gift card amount, then the balance remains on the gift card, instead of receiving cash back.

Last year DSA earned over \$2,600, and the money served to fund many club activities that you enjoy and the necessary administrative costs (tax prep fees, liability insurance, etc.) that keeps the club running.

**The easiest way to
support DSA is
through this
fundraiser!**

Certificates are available for purchase at every club meeting or contact your club's treasurer, Thalia Peletis, to order your certificates: 303-933-0392 / t_peletis@msn.com

Denver Samoyed Rescue Report

no HOME, all ALONE - As of 06/1/05, we currently have no Sammies available for adoption! Woo! Woo!

DSR Success Story!

Editor's Note: *Kimo was the puppy Samoyed mix from Texas that Cindy Hutt transported to Denver on behalf of DSR. Jane Reller worked very hard at arranging his transportation and facilitated his adoption.*

'Kimo'

Subject: Re: Denver Samoyed Rescue

Hi, Sue:

I wanted to check in and say that Kimo (Garth) is doing great!

He is up to 30 lb, loves to play with Kahuku (our 3-year old Sam/Golden mix), and has taken to sleeping outside on a cushioned deck chair!

He used to shy away from us when we would approach him, but now he waits and wags his tail. He loves tummy rubs and had his first grooming

experience. He does not like being brushed, but am trying to equate the brush with a treat. He has learned to 'sit' and 'shake' and am working on 'down' and a real 'stay'.

I cannot tell you how much we love him! He is such a sweet dog and we are thrilled to have him as part of our family. Please share this news and photo with the very nice volunteer (*Jane Reller*) who met me at the training center to complete the adoption--I am afraid that I have forgotten her name!

Thanks again for everything you and DSR did to make this happen.

Cathy Calder
