Top 10 Medications Your Dogs Should Never Take

Every year thousands of pets are poisoned by medications that are intended for human consumption. The Cat Channel printed a list of the most common drugs that are poisonous to pets.

The Pet Poison Helpline which is a 24-hour service staffed by veterinary professionals, reported that almost half the calls they receive involve pets that have ingested either over-the-counter or prescription medicines meant for people.

Here is the list of the 10 most common medications reported to the Pet Poison Helpline:

1. **NSAIDs** (e.g. Advil, Aleve and Motrin) Common household medications called non-steroidal anti-inflammatories (NSAIDs) top the list. The names include ibuprofen (e.g., Advil and some types of Motrin) and naproxen (Aleve).

2. **Acetaminophen** (e.g. Tylenol) Even though this drug is safe, this is not true for pets — especially cats. One regular strength tablet of acetaminophen may cause damage to a cat's red blood cells.

3. **Antidepressants** (e.g. Effexor, Cymbalta, Prozac, Lexapro) While occasionally used in pets, overdoses can lead to serious neurological problems such as sedation, incoordination, tremors and seizures. Pets seem to enjoy the taste of Effexor and often eat the entire pill. One pill can cause serious poisoning.

4. **ADD/ADHD medications** (e.g. Concerta, Adderall, Ritalin) Minimal ingestions of these medications by pets can cause life-threatening tremors, seizures, elevated body temperatures and heart problems.

5. **Benzodiazepines** and sleep aids (e.g. Xanax, Klonopin, Ambien, Lunesta) About half of the dogs

who ingest sleep aids become agitated instead of sedate. In addition, these drugs may cause severe lethargy, incoordination and slowed breathing in pets.

6. **Birth control** (e.g. estrogen, estradiol, progesterone) Large ingestions of estrogen and estradiol can cause bone marrow suppression, particularly in birds. Additionally, female pets that are intact are at an increased risk of side effects from estrogen poisoning.

7. **ACE Inhibitors** (e.g. Zestril, Altace) Pets ingesting small amounts of this medication can potentially be monitored at home, unless they have kidney failure or heart disease.

8. **Beta-blockers** (e.g. Tenormin, Toprol, Coreg) Small ingestions of these drugs may cause serious poisoning in pets. Overdoses can cause life-threatening decreases in blood pressure and a slow heart rate.

9. **Thyroid hormones** (e.g. Armour desiccated thyroid, Synthroid) Large acute overdoses in cats and dogs can cause muscle tremors, nervousness, panting, a rapid heart rate and aggression.

10. **Cholesterol-lowering agents** (e.g. Lipitor, Zocor, Crestor) Most "statin" ingestions only cause mild vomiting or diarrhea. Serious side effects from these drugs come with long-term use.

The Pet Poison Helpline is staffed with veterinary professionals, including board-certified veterinary internal medicine specialists, board-certified veterinary emergency critical care specialists and veterinary technicians specializing in toxicology. **You can reach the helpline at: 800-213-6680.**

Message from the President!

Happy New Year DSA!

In preparing for the new year I thought I would get a head start, so when, or if I fall behind I won't fall too far. Here are a few thoughts I'd like to share with you.

WELCOME to our new 2010 Officers and Board members are:

President: Lori Elvera

Vice President: Michele Sottile

Recording Secretary: Thalia Peletis

Corresponding Secretary: Michael Prewitt

Treasurer: Tom Lisec

Board Members: Martha Lageschulte, Chris Stewart, Sue Wangerin & Mary Lloyd

Huge THANK YOU goes out to our out-going officers and board members, Recording Secretary: Terry Walb, Board members: Andi Mast and Kim Perry for their time of service and dedication to the club.

Committee Assignments 2009: As per the clubs committee guidelines a year-end report of your committees activities needs to be provided to the club President by December 2009. (oops, see we're already behind). Please if you can email me your report

prior to the January 18, 2010 club meeting.

2010 Committee Assignments: Any committee chair person from 2009 that would like to continue in their position, please let me know prior to our January 18, club meeting. Vacant positions will be filled at the Jan. meeting.

2010 Dues: Annual Membership dues are due no later than January 31, 2010. Family \$20; Individual \$15; Jr. membership \$5; Associate \$15; Honorary \$0

Agility Trial Update: We are still in need of CLUB volunteers to work the trial. If you enjoy the club buying the Holiday Dinner; food at the September Specialty; all the rosettes, trophies, judges and many other perks of club membership, please understand that the money for those events comes solely from the agility trial. If you can work one day, half-day, a couple hours a day that would be great! YOUR club needs YOU. We should not have to rely on the other breed exhibitors to work OUR trial, besides where else do you get to have fun with your fellow club members wearing that spiffy blue sweatshirt? No hassles, no pressure, no grooming, no stress of getting to a show ring, obedience ring, etc. Just

come and have some fun with your club! Please contact Andi or Michele if you can help out.

Looking ahead: We have at least one program planned for the year in March. "Estate Planning for Your Pets". We will be discussing how we'd like to advertise this speaker and other particulars. If you have a speaker you'd like to have at one of the monthly meetings, please feel free to contact our clubs Program Committee with your idea, or you are welcomed to "do-it-yourself" coordinating.

F-U-N! We all need to be thinking of ways to put the F-U-N back into our club.

2011 Local Specialty Judges will be nominated at the March meeting.

I'd like to leave you with a thought regarding your club, it's a phrase I tell my potential puppy people, "You get out of your puppy, (or in our case, your club) what you put into it!"

Lets have a G-R-E-A-T 2010!

DSA Lights Up the 2009 9News Denver Parade of Lights!

On a mild Friday December night for Denver, eight DSA members and seven of their friends along with their dogs gathered in the early evening hour at the Greek Theatre in downtown Denver for the 35th annual 9News Parade of Lights. The theatre acted as our dressing room as we waited for our Parade Marshall to escort us to the start of the parade.

The dogs were dressed in their colored hiking packs strung with red, green, blue, multi and clear lights LED lights while large jingle bells filled the air with holiday sounds as the dogs moved about. Parade walkers were decked out in black clothing with a head lamp to provide our 'lighting'. As our Parade Marshall brought us to the staging area, excitement built in the dogs and the walkers. It was a magical moment when our group strolled into the gleaming lights of the telecast zone. Blazing spotlights, grandstands filled with hundreds of children and adults with waving arms and smiling faces; photographers snapping photos as quickly as their cameras would allow; the street carpeted with painted multi-colored stars provided a path for us to follow; the 9News broadcasters, Adele Ara-

kawa and Mark Koebrich provided the commentary for our group, all this was set in front of the magnificently lit Civic Center building. As our group began its two mile walk, you couldn't help but feel the electricity in the air. It was if we were on the *Red Carpet* for the *Academy Awards*!

The dogs handled all the sights, sounds and distractions in a true Sammy like fashion, "no worries, be happy". Out stretched arms of children begging to pet the dogs were irresistible. The dogs most likely had enough attention to last quite awhile. Surprisingly we had our very own "Poop Patrol!" The weather was mild, no below freezing temps as in years past did we experience, in fact we had over-heated! As the parade route came to an end we marveled at the experience we just had.

Saturday night brought chillier temps, but still comfortable. A new group of recruits came to walk in the parade along with their dogs. The crowds had swelled to several hundred thousand. While gazing up the towering buildings we could see people watching the parade from their apart-

ments, businesses and parking garages! The parade itself seemed to have a quicker pace about it, most likely due to it not being televised, the two miles seemed to breeze by. As we gathered at the end of the parade to share our experiences of the night, we left with thoughts and plans for next year!

2009 DSA Holiday Party Meeting

Thank you to everyone who attended this year's party. For those who were unable to attend, we did something a little different this year. Rio Grande Mexican Restaurant was the venue and the food was great! I think it was nice this year for everybody to be able to enjoy the party instead worrying about the clean up afterwards.

Our members and families who attended totaled 41 this year, even with the bitter cold temperatures outside, thank you again.

Once again Mary Lloyd did a wonderful job setting up the raffle. I think we had more items than ever, thank you to all who donated items. The raffle raised a whopping \$460 for DSR.

Exhibitor Rule Changes—Effective 2010

Chapter 11, Section 1.

No dog shall be exhibited in a licensed or member dog show, except for dogs entered in the Miscellaneous Class unless it is either individually registered in the AKC Stud Book, or individually registered with a foreign registry organization whose pedigrees are acceptable for AKC registration. A dog with an AKC limited Registration shall be ineligible to be entered in a breed competition in a licensed or member dog show.

An unregistered dog with an acceptable foreign registration that is individually registered with a foreign registry organization whose pedigrees are acceptable for AKC registration may, without special AKC approval, be exhibited in licensed or member dog shows that are held not later than 30 days after the date of the first licensed or member dog show in which the dog was exhibited, but only provided that the individual foreign registration and name of the country of birth, are shown on the entry form; and provided further that the same name (which in the case of a foreign-registered dog must be the name on the foreign registrations) is used for the dog each time.

No dog that has not been individually registered with The American Kennel Club when first exhibited in a licensed or member dog show shall be eligible to be exhibited in any licensed or member dog show that is held more than 30 days after the date of the first licensed or member dog show in which it was exhibited, unless the dog's individual AKC registration

number is shown on the entry form, or unless the owner has received from The American Kennel Club an extension notice in writing authorizing further entries of the dog for a specified time with its individual foreign registration number. No such extension will be granted unless the owner can clearly demonstrate, in a letter addressed to the Show Records Department of The American Kennel Club requesting such extension, that the delay in registration is due to circumstances for which he is not responsible.

Such extension notice will be void upon registration of the dog or upon expiration of the period for which the extension has been granted if that occurs earlier, but upon application further extensions may be granted.

FREQUENTLY ASKED QUESTIONS

Q:Why change the requirements?

A:The change was made to encourage exhibitors to register all puppies eligible for AKC registration.

Q:Must the dog have individual AKC registration prior to the closing date of the event?

A:Although it is best to register the dog well before the event, the registration must only be processed by AKC prior to the starting date of the event.

Q:Are Puppy Classes affected?

A:Yes, even dogs in puppy classes must now be individually registered.

Dogs may not be exhibited on litter registration at licensed or member events.

Q:Do Foundation Stock Service (FSS) breeds and Miscellaneous Class breeds have to be individually registered to compete as well?

A:Yes, all dogs, including Foundation Stock Service breeds & Miscellaneous Class breeds must enroll in the AKC Foundation Stock Service® prior to the day of the event to compete.

Q:Are all AKC sports affected?

A:Yes, all dogs competing in AKC performance events, companion events and conformation shows are required to be individually registered before competing in the event.

Q:May dogs with foreign registration compete?

A:Dogs individually registered with an AKC recognized registry (see: http://www.akc.org/rules/special_registry_services.cfm) may exhibit for up to 30 days after the date of the first AKC event in which it was exhibited. After 30 days time the dog must have received AKC registration or have applied for and been granted an extension from AKC Event Operations in order to continue exhibiting at AKC events.

Q:May dogs with Limited Registration exhibit?

A:Dogs with AKC limited registration are not permitted to exhibit in conformation shows (except in Junior Showmanship Classes) but

Denver Samoyed Rescue Report

no **HOME**, all **ALONE** As of 01/11/10, we have the following Sammies available for adoption!

Male (**Beau**) 6 years Boarded

Comments: Samoyed. Samoyed. Medium Size. Beau is a beautiful 6-year old purebred male Samoyed. He is very friendly and outgoing. He knows some basic obedience commands, but is not housetrained. Beau does not like to be restrained and/or kept from doing what he wants to do. He will make someone a nice pet, but he needs an owner who is dog savvy and willing to work with him.

Reason: Owner surrendered.
