Holiday Party: Sims Steakhouse, 12-18-22, 10:30am - 1:30pm; brunch; Sunday buffet

DSA 2022: currently working on trophy tags & going forward it is recommended all show chairs should check on pet policy on motels & availability of veterinarian on call (the one we have used is no longer 24 hours)  
103 2022 logo T-shirts were sold & there will be extra shirts available for sale.

DSA 2023: Have not yet heard about judges availability. Helen Hittesdorf is best to contact by phone.

Website:

- Currently, documents are being moved to Rae's Google Drive
- We may need to use the old website's grooming piece
- We need info from DSR to know what goes to Rae
- Lorrie McAllister will get rescue photos
- Events Page: What kind of calendar should we use? Rae will know what is available in WIX

- We need to rename the Rescue Store: possibly to White Pine Collars & Leashes since we are combining the DSA & DSR websites with two stores.
- 25% of the cost of the website design needs to be paid by Friday, July 22, 2022; Terry will pay this & be reimbursed by the club

## **New Business**

- Lori Elvera proposed an “opt-in” for club membership on WhatsApp. Members would have to download the app to join it. This will be brought up at the next meeting for a motion — tonight there is no quorum to vote.
- We need to change our membership application to include an emergency contact. This could be included on our annual dues notice.
- A vote on a membership application change would be necessary — table until our next meeting
- A Nominating Committee was appointed to report on a slate of officers at the August meeting. Appointed was: Pam Buhl, Lorrie McAllister & Shanan Streweler.
